

Friends of Oberwolfach

Keep the atmosphere alive

Mathematicians visiting Oberwolfach benefit from the excellent infrastructure and the intense research atmosphere. The Friends of Oberwolfach support the Institute in its efforts to maintain and further improve the research facilities. For the acquisition and provision of funds, the non-profit association "Verein zur Förderung des Mathematischen Forschungsinstituts Oberwolfach e.V." has been founded. Traditionally the Friends of Oberwolfach engage in three main areas:

- Support for the maintenance of the buildings
- Support for the library to keep it at its current level as one of the best mathematics libraries in the world
- Travel support for participants of meetings in exceptional cases

This way, mathematicians directly profit from the money collected by the association.

We invite you to join the Friends of Oberwolfach and to express your attachment to the Institute in this way. To become a member, please fill in the membership form on the back of this information sheet, give it to the Institute, or send it by mail to the association.

In case you wish to make a one-time donation, please use one of the accounts mentioned in the membership form, or give a check or cash to the secretary at the guest office of the Institute.

Membership form

I join the Verein zur Förderung des Mathematischen Forschungsinstituts Oberwolfach e.V. (creditor identification no.: DE 72 ZZZ 000 006 547 81) and acknowledge the statutes of the association. I also give my consent to process my personal data according to § 2 para. 2 of the German Federal Data Protection Act (Bundesdatenschutzgesetz).
